

Stories of AC

A collaborative restorative narrative series

Media partner responsibilities

All media partners will be asked to:

1. Meet with community partners in January to share info about the kinds of things they look for in stories. The community partners will take that info, and with coaching from Ilsa and Mike, look for restorative stories about AC.
2. Reconvene with the community partners in March to hear about the stories that have been selected by the community, and each newsroom will "claim" one story. Participate as needed in planning for the storytellers event.
3. Report out and write/produce their chosen story, with words and visuals. (Ilsa and Stefanie will work with them on tone and editing if needed, and we will have a shared language doc for common intros, nutgraf, taglines, to ensure proper attribution for project and grant funds.)
4. Prepare their story for publication/broadcast on the agreed-upon day with the agreed-upon elements (including logo when possible, link to main web site, link to or co-publication of partners content)
5. Attend the storytellers event.
6. Attend a follow-up convening to discuss and assess the project.
