Collaborative project worksheet

Use this worksheet to outline your project.

This is just for brainstorming, so let the ideas flow!

Idea

What is the idea you want to explore? How does it fit in with the bottom two foundation pieces of Northeast Ohio's hierarchy of information needs?

Ohio's hierarchy of information needs?	
Goal What would the goal of this project be?	

Why does it make	sense to approach this idea with a collaboration?
iat thia atamiiin tr	
	nt of? What would be the best way to do that? What are some creative wateribute this story?

Partners

Who are the potential collaborators for this idea? What strengths do they each bring? Do you have a wide and diverse enough group of partners to be able to reach your desired communi audience? Be sure to list potential partners who aren't here today, too, so you can reach out them.	ity
Partner responsibilities	
What would you expect of each partner?	

Details + timeline Here's how you envision this project playing out.
